Dated Bangalore, ...June...6th.....*194* 3

-8 JUN 1943

FROM

M. Seshadri, Esq., M.A.,
Revenue Commissioner in Mysore.
and Civil Representative.

To

V. Vedavyasacharya, Esq., B.A.,
Chief Secretary to Government of Mysore,
Bangalore.

SIR,

Subject:— Reserve Division - Location of B.G.Hs.

I have the honour to send herewith copies of H.Qs. letters No. 156/2/242/8/Q dated 26-4-1943 and 156/2/242/12/Q dated 30th April 1943 together with that of its enclosure in respect of the lands required for the location of two tented B.G.Hs. -- astride the 'Y' Tank Krishnarajapuram rising main.

The Civil Officer, Bangalore has inspected the lands in company with Lt.Col Stubbs. These are situated in two villages viz., Seegehalli and Kodigehalli in Krishnarajapuram Hobli, - Bangalore South Taluk measuring in all about 210 acres. The Civil Officer reports that these lands are classed as dry and there is no objection to permit the Military to occupy them. He also says that there were 7 thatched huts and 2 Mangalore-tiled houses in Seegehalli village in the middle of the area and all these houses were shifted to a hamlet closeby. Necessary action is being taken by the Civil Officer to compensate the villagers to enable them to put up new sheds, in consultation with the Military authorities.

I have asked the Civil Officer to submit a report re: the exact area required by the Military for the purpose with reference to the sketch furnished by the Head Quarters. On receipt of his reply a further communication will be made on the subject.

I request that sanction of Government may kindly be accorded for the occupation of the lands by the Military for the location

of the Hospitals.

I have the honor to be,
Sir,
Your most obedient servant,

M. Deasy

Revenue Commissioner &
Civil Representative

Subject: Reserve Division - Location of B.G.Hs.

1. An area has been selected south west of 'Y' tank for the location of a tented camp for 2 B.G.Hs. . These hospitals will be sited astride the proposed 'Y' Tank Krishnarajapuram Water supply

2. Each area is apporximately 800 x 600 yds.

3. The construction of approx 2 miles of approach road from Medahalli village M.S. 10 on the Bangalore - Kolar Road will be necessary.

4. Contracts have been issued and work will commence immediately on the construction of ancillaries to the above tented hosoitals as also for the lay of the main water supply from 'Y' tank to Krishnarajapuram.

5. Construction of the road referred to above will be carried out by military labour

6- Will you please detail your representative to call at these Headquarters at a very early date in order that the actual ground required to be taken over can be pointed out.

7. In this connection a small hamlet consisting of about 5 huts is occupied by villagers which is required to be taken over. It will be necessary for arrangements to be made to evacuate those living in the hamlet which is situated in the middle of the area selected for the hospital.

8. As orders have been issued for work to be put in hand forthwith, it will be appreciated if very early sanction of the Mysore Government may be accorded for the handing over of the land required by the military under the usual terms of compensation.

No. 156/2/242/12/Q dated 30 april 43 from the H.Q., to the Civil Representative.

Reference:- This HQ letter No. 156/2/242/8/Q dated 26 Apr 43.

1. Proceedings of siting Board held, on 25th April 1943 for the purpose of locating and siting in detail an area for two tented B.G.Hs. astride the 'Y' tank Krishnarajapuram rising main together with blue prints of the area are forwarded herewith.

Proceedings of a siting board assembled at vicinity 'Y' Tank on the Sunday 25th April 1943 by order of Commander 160 L of C Sub Area for the purpose of locating and siting in detail an area for two tented B.G.Hs. astride the 'Y' tank Krishnarajapuram rising main.

(HQ 105 L of C Area letter No. 9682/AT/Q1 dated 11 April 43 refers)

President:
Lt. Col. J.B. Stubbs A/Q, 160 L of C Sub Area.

Members:

Major Nand I.M.S., D.A.D.H. 160 L of C Sub Area.
Lt. R.H.P.L. Durham R.E. A.G.E. Bangalore.

The Board having assembled pursuant to order, proceed to carry out recce of the area selected for the location of two B.G.Hs. astride the 'Y' Tank - Krishnarajapuram rising main in accordance with instructions contained in the above quoted letter.

1. An area approximately 800 x 600 yds was selected South west of 'Y' Tank for the location of tented camp with hutted ancillaries for one B.G.H. (600 beds).

2. The conformation of theground in this area is such that it was found that owing to the existence of two nullahs on either side it would not be possible to locate the second hospital in extension of and due south of the hospital North of the rising main.

3. A suitable area however exists in the same locality south of and to the West of the rising main which has been selected accordingly for the location of the second B.G.H. in this area.

An approach road of approx 1 mile is required to be constructed from the vicinity Medahalli village 10 M.S. on Bangalore -Kolar road leading up to the first B.G.H.

5. The construction of a second road to the locality selected for the second B.G.H. is desirable in that it will divert traffic proceeding to that hospital instead of having to pass through the area allocated to the first B.G.H.

6. Detail layout of B.G.H. is as shown on blue print attached to the proceedings and is in accordance with Schedule of Accommodation issued by H.Q. 105 L of C Area.

7. The Revenue Commissioner and Civil Representative has been asked to furnish particulars of survey numbers of the land required to be taken over by the military and to obtain the sanction of the Mysore Government for permission to occupy the site.
